

ORACLE University's 2008 Partner of the Year

TAM Training Delivers:

- **Complete Certified Training:**
TAM Training provides complete certified training on all Oracle Products including PeopleSoft, eBusiness Suites, Oracle Technology and Oracle Fusion Middleware in our Oracle Authorized Education Centers.
- **Implementation/Upgrade Training:**
We provide world class training solutions for your implementation project team and upgrade team.
- **End User Training:**
TAM can create custom end-user training solutions including business process documents, student guides, and online simulations using the Oracle UPK as well as other industry standard tools.
- **Career Enhancement Programs:**
Fast-track your education with diploma programs created especially for individuals seeking to enhance their careers with training in IT.
- **Green Training:**
Our Green Training classes provide a balance of Green theory and practical Green Skills that are designed to empower the student to make a difference now.
- **Webinars:**
TAM Training has complimentary webinars each month on Oracle Software related topics.
- **Classroom Rentals:**
With training rooms located throughout the country, we can provide you with cost-effective, stress-free facilities conducive to a learning environment for one day or even one month.

TAM Training Methods of Delivery:

- **Public classes:**
Classes available to the public or private classes customized for your needs at our Oracle Authorized Education Centers.
- **Private classes at your worksite:**
Reduce travel expenses and meet project timelines with classes brought to your worksite or class facilities.
- **eLearning**
Online distance learning such as live virtual classes, self study CDs, and recorded webcasts.

Contact us TODAY to find out how TAM Training can assist you with all your training needs!
