

TransAmerica Training Management offers rentals of our world class training rooms for 1 day or even 1 month, accommodating up to 24 individuals per room.

We can provide you with cost-effective and stress-free facilities conducive to a learning environment. Our training rooms are equipped with up-to-date computer hardware, fast Internet connections, and modern projection systems. Whiteboards and flipcharts are also provided for the instructor. Technicians are available at each facility to assist or setup your class and full time administrative support is also provided.

TransAmerica has training rooms located throughout North America, specifically in Albuquerque, NM, Miami (Coral Gables), FL, East Providence, RI, Fayetteville, AR and San Juan, Puerto Rico. Let us know what your training needs are and we can create comfortable setting to exceed your expectations.
